

# European OMFS Trainees Forum

10:30 CET Saturday March 4<sup>th</sup> 2023 – Pullman Hotel Brussels

**Forum Chair – Behrus Puladi OMFS Trainee from Aachen, Germany**  
**EJD Representative to OMFS Section and Board**

## Introduction

The OMFS Section invites trainee representative from every nation in Europe to join this face-to-face meeting. The EDJ aims to promote the interests of Junior Doctors in the member states of the Council of Europe and improve and develop relations between Junior Doctors in Europe.

UEMS shares and promotes these goals. To this end the OMFS Section is providing the venue and the catering for the first ever European OMFS Trainee Forum.

The EACMFS Trainee Representative Francesco Lemma will attend with the support of EACMFS.

The reason the meeting is face-to-face is that UEMS recognises the value of building personal relationships across national boundaries.

## Venue

Planned venue is the Pullman Hotel, just beside Brussels Midi/Suid Train station. It is co-located with the OMFS Section and Board Meeting of UEMS. Trainees will join the UEMS delegates at lunchtime. There should be time for both groups to get together after their meetings for coffee and chat. If the trainees finish early they can also join the afternoon meeting of the OMFS Section.

## Timing

The meeting will start at 10:30, to allow same day travel for colleagues. It will end no later than mid-afternoon.

## Draft Agenda

- 1. Introduction and national training update from delegates attending meeting.**
- 2. Review of Data regarding Training Programmes across Europe**
